We have received your document for TOMGAR CORPORATION and your check(s) totaling \$70.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The date of incorporation listed in number four of your form must match the date listed on the certificate of status from your state. You can only have one registered agent listed for the corporation. The registered agent must have a registered Florida street address.

According to the application submitted to this office, this entity transacted business in the state of Florida before properly registering with the Florida Department of State, Division of Corporations. Consequently, a \$500 civil penalty and an annual report filing fee for each year the entity failed to properly file a Florida annual report are due this office. Based on the date entered on the application, the civil penalty and annual report filing fees total \$3,626.25.

The document must contain both the street address of the principal office and the mailing address of the entity.

If you have any questions concerning the filing of your document, please call (850) 245-6052.
