Div of Corporations

Dear Sirs,

We are requesting that you process our application by Foreign Corporation for authorization to transact Business in Florida. The only reason we are requesting this application is because we are having to use State Fund to obtain workers compensation in FL. We have 1 employee who works from his home office recruiting. Our previous WC carrier did not require this. He is a W2 employee who works on our corporate staff and does not generate revenue for the work he does.

The workers compensation fund underwriters are not flexible. I can submit my workers compensation application, but they will need to see that the record is active (on the Div. of Corps. Website) before a policy can be put in effect. Unfortunately our insurance needs to be bound for 3/1/2013.

I am requesting that you expedite our request. Should we need to pay any additional fee's to expedite this we will.

Please let me know if there is anything else you require.

Kindest Regards,

Kimm Sharp
