We have received your document for GOLD DIESEL - THE ISRAELI FUEL COMPANY LTD. and your check(s) totaling \$78.75. However, the enclosed document has not been filed and is being returned for the following correction(s):

The name listed in number one of the application must be identical to the name listed in the certificate of existence.

The use of LIMITED or LTD. is not sufficient as a corporate designation. The name must include a word such as INCORPORATED, INC., CORPORATION or CORP.

**PLEASE NOTE:** You have included an alternate name in your document that is not allowed under corporate law. If you want to do business in Florida under a different name other than the one you incorporated under, you will need to file a fictitious name application. You can find this form on our website at [www.sunbiz.org](http://www.sunbiz.org).

The entity's period of duration must be listed on the application. Please insert the word "perpetual", if a specific date of dissolution or term of existence has not been specified.

According to the application submitted to this office, this entity transacted business in the state of Florida before properly registering with the Florida Department of State, Division of Corporations. Consequently, a \$500 civil penalty and an annual report filing fee for each year the entity failed to properly file a Florida annual report are due this office. Based on the date entered on the application, the civil penalty and annual report filing fees total \$800.00.

The name and title of the person signing the document must be noted beneath or opposite the signature.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.
