Division of Corp.,

I am writing this to hopefully clear up this matter. I spoke with Stacey on Aug. 31, 2001 and told her my concerns regarding my new form that I received, it states that I have not filed or paid my \$150.00, I did so on April 8, 2001 check#6041. I did check with the bank and the check did not clear, Stacey suggested I resubmit the application and another check for \$150.00.

Thank you for handling this matter.
