Division of Corporations  
Florida Department of State

Dear Ms. Fason:

Re: Registry Network, Inc. Ref. #14000032957

I called your office yesterday after receiving Letter #914A00011376 and was advised to write to you. I need assistance is clarifying a misunderstanding I caused in earlier correspondence.

Registry Network, Inc. does not do any business in Florida, nor do they plan to. We are a healthcare staffing company doing business only in the state of California. We have one employee whose primary state of residence is Florida. Florida is entered as her S.U.I. state in our accounting software. After processing the quarterly tax return for the first quarter of 2014, we owe \$189 unemployment tax to Florida. When I tried to file the return, I could not file without a required Florida number. When I tried to get the number, I was told I had to register as a foreign corporation to do transact business in Florida.

After receiving the necessary original documents from California, I submitted the filing fee and application. Attached is the application with corrections noted on items 6 and 8.

Are we supposed to file this tax in Florida for one employee residing there and working here? If yes, what should I do to get this accomplished? I've been trying to get the 'number' since April in order to pay by the end of May and thus avoid any late filing penalties.

I sincerely appreciate your assistance and instructions.
