We are in receipt of the 2001 Uniform Business Report form which indicates a fee of \$ 550 where to fee should be \$ 150. We have enclosed a check for the \$ 150 per the suggestion of your counselor when we talked to him on the telephone.

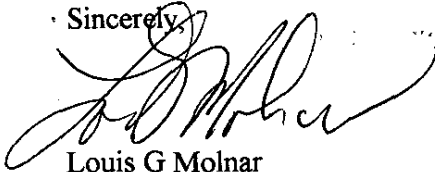

I am responsible for the filing of this form on this and two other corporations. We never received the forms for any of these corporations yet your office said they were sent out. If you check the past years records you will find we always completed the forms in a timely manner and submitted them with fees to your office.

I am at an absolute loss as to why 3 sets of forms were lost and not delivered to our office. The addresses on these forms are correct even though they are to 3 different places suggesting they were not lost in my office.

I am requesting a waiver of the penalty and some research on the Division's part to insure there is nothing wrong with my files so the same thing does not happen next year. I am available at any time to help understand and resolve this matter.

Please look favorably on my request due to the circumstances listed.

Sincerely,

Louis G Molnar
