This donation/recycling station is equipped with surveillance cameras that monitor the site 24 hours a day. The station is serviced by dispatching service personnel when any service is required. The station will accept collections anytime the center is open. The items accepted are posted on the station itself and include used clothes, shoes, and household items. The lease entered into is a short term license of one year. The parking for users already exists so we will not require specific assigned parking spots. Historically, use of the station is no more than 10-15 users throughout the day.

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

Sincerely,

Lois G. Lerner
Director, Exempt Organizations
