Re: Letter Number: 913A00005903
Dynamic Engineering Consultants, PC (Ref.#W1300014699)

To whom it may concern:

Back in 2013, we had submitted an application to your office requesting to be certified to do business in your State. Unaware to us, the application per my understanding was never approved because we wanted to use PC as part of our name which is not allowed in your State.

When I called in March 2015, inquiring about our application status, I was told that I just needed to change our corporate designation name from PC to PA and resubmit the same application. I forgot to mention that the application on file went back to 2013.

When we tried to register with your State back in 2013 we were anticipating doing business in your State in 2014 but the project had been delay until just recently in March of 2015. We are asking to waive the penalties and late fees as we did not do business in your State until 2015 and reconsider our application.

Please feel free to contact me directly if you need further information.

Sincerely,

Jennifer Roncagliolo-Cohn
