Florida law does not provide for the recognition of a foreign professional corporation. An acceptable corporate suffix will need to be added to your entity name for this Department to accept and file your document.

The name listed in number one of the application must be identical to the name listed in the certificate of existence.

Unfortunately, the enclosed certified copy does not meet our filing requirements. We require a certificate of existence or certificate of good standing, which usually consists of a single sheet of paper that clearly reflects the entity is a valid entity in its home state/country. You can obtain the certificate of existence or certificate of good standing from the same office that provided you with the certified copy.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6051.
