Hello Jenna,

I received a letter from you regarding California Coastal Technical and the name not being available. I previously created this same company name but as a Florida entity when it was supposed to be a Foreign entity. The letter number is 515A00025712.

The original document number is P15000080816.

The new company which was rejected is W15000079153.

I was informed that I could write you a letter stating that I created both companies and would simply like to keep the original name of the company that was voluntarily dissolved. I was previously told that I would be able to keep the name 48 hours after the dissolution was complete.

Please let me know if there is anything else needed to complete this.

Also, the same situation happened for another created company. The information is just below:

California Coastal Medical. Original document P15000080817. New document number W15000079330.

Lastly, I was told that you would require the signature of the registered agent:

A handwritten signature in black ink, appearing to read "Timothy O'Neil".

A handwritten signature in black ink, appearing to read "Timothy O'Neil".
