Dear Sirs,

This is an addendum to my request for a Certificate of Status for a non-profit corporation originally registered in Venezuela in 1982 that has been active since then with no interruptions.

I am attaching the last proof or certificate of existence, issued on 04/25/2017, for **ASOCIACION PROVIVE DE VENEZUELA – PROVIVE**. This certificate is valid until 04/25/2020.

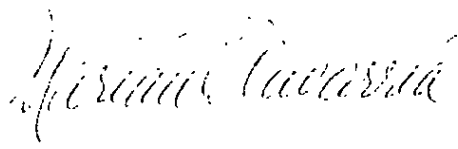

This certificate is issued by the *Servicio Nacional Integrado de Administración Aduanera y Tributaria* (National Integrated Service of Customs and Tax Administration) of the Bolivarian Republic of Venezuela.

The certification process in Venezuela is done strictly online, and no printed originals are issued. Once the online request is completed and the corporation is verified, the online system produces a digital certificate, which is what I am enclosing, in order to request the certificate of Status.

This same non-profit was once registered in the US in 1993, in Baltimore, Maryland, and was issued EIN 98-01 36863 (Copy attached). Unfortunately, it was not renewed for many years. We have been active internationally, and in the US, we have filed our taxes yearly, with no interruption.

I hope this explanation is helpful.

Sincerely,

Marian Olavarria

Dear Applicant:

Based on information supplied and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) from and after the effective date shown above.

We have further determined that you are not a private foundation within the meaning of Code section 509(a) because you are an organization described in the sections of the Code shown above.

If your sources of support, or your purposes, character, or methods of operation change, please let your key district know so that office can consider the effect of the change on your exempt status and foundation status. Also, you should inform your key District Director of all changes in your name or address.

You are exempt from withholding on United States source income that is effectively connected with the conduct of a trade or business within the United States. The procedures for establishing that your income is effectively connected with the conduct of a trade or business carried on within the United States are provided in section 1.1441-4 of the Treasury regulations (26 Code of Federal Regulations).

Since you are not a private foundation described in section 509 of the Code, you are not subject to excise tax under section 4948(a) of the Code. Your withholding agent may rely on a copy of this letter to exempt you from withholding for section 4948(a) tax. However, you are not automatically exempt from other federal excise taxes. If you have questions about excise, employment, or other federal taxes, contact your key District Director.
