Re: Ref Number: W18000096413

Please be advised that in regard to the filing referenced above, and per our conversation of even date with this letter, that there was an error in the preparation of this filing in our office. We erroneously inserted the date of original incorporation into the date field for date of first doing business in Florida. The facts are that this client has never done business in Florida at this point. Further the client will do no business in Florida until such time as it has received a Certificate of Good Standing from your office and has applied for an been granted a Mortgage Lender License as a Mortgage Banker in the State of Florida. Please accept our apology for our error in the initial preparation of the original filing document. Per the terms of our telephone conversation we have done a one-line strike through of the incorrect date and inserted the anticipated date for doing business in Florida subject to your approval of this registration and the granting of a Mortgage Lender License through NMLS. Please accept our assurances that this client will conduct no business in Florida until fully approved and licensed to do so.

Thank you for your assistance and prompt attention to this corrected filing.

Respectfully,
