Florida Department of State

Division of Corporations

To Whom it May Concern:

Please find attached our application to register a foreign profit corporation. We are a small Canadian company that started expanding to the US in 2022. Our only business transaction in Florida to date is using a 3rd Party supplier warehouse in Fort Lauderdale. We have no sales or any other transactions in Florida as of yet. We did not realize at the time we needed to register with the state if no sales were being made. I hope you can take this into consideration when assessing any penalties for late registration.

Regards,

Ross Paul
