To Whom It May Concern:

I never received my 1998 Profit Corporation Annual Report Packet in the mail. I received a call July 21, 1998 from my accountant telling me that he saw no check written for this filing fee in my old bank checks. He wondered why because he knows that I always pay my bills on time. I told him that I must not have received it.

He told me that I should have received a second notice by now and I told him that I did not. Upon further checking, I found that the second notice was sent to the right address but there are seven dentists in the building and my notice was sent to a dentist that was on vacation all summer in New York State. All of his mail was forwarded to him by his secretary. It actually took me over a day to find his phone number and get him to check his mail and look for the application form.

You now have the second application form with the initial fee. I still have no idea where the first application form went and no secretary or dentist will acknowledge any wrongdoing. You can see from my records that for the past 14 or so years I always paid on time. The mail must have been delivered to a different dentist at my address.

I do not feel that I should have to pay the penalty fee because I always respond when I get a bill. You may call me at (954) 262-7322 if I can be of any further help. I know that you have the final say, but I look forward to a favorable reply. This has never happened to me before, and will never happen again.

Thank you for your consideration.

Yours truly,

Peter A. Keller, DDS
