RE: Absolute Rank Technologies, Inc.
Document Number F93000002949

To whom it may concern:

Absolute Rank Technologies, Inc. recently opened a new bank account and through this process became aware that your department had administratively dissolved the corporation in 1996.

I am requesting that the 1996 administrative dissolution or revocation from your department and the reinstatement fee be waived for Absolute Rank Technologies, Inc. because this corporation did not receive the 1996 first or second notice profit corporation annual report packet, and therefore was unable to file timely. The corporation was also unaware of the 1996 administrative dissolution because it did not receive a notice from your department.

Because your department dissolved the corporation, it also did not receive the first or second notice profit corporation annual report packet for 1997.

It has always been the intent of this corporation to remain a corporation in good standing with the State of Florida. The corporation would have filed the annual report timely if it had received it.

Enclosed you will find a completed annual report form for years 1996 and 1997 and a check in the amount of \$365.00 for payment of the 1996 and 1997 filing fees.

Please contact me if there any questions concerning this correspondence.

Sincerely,

Susan Toth, CPA
