To Whom It May Concern:

Please remove Elyse Miller's name as a director of Sara David Realty, Inc. Her name was mistakenly added as a director on the January Annual Corporate Report. There was never a corporate amendment signed adding Elyse Miller to the account. I am sorry for the delay in contacting the division about the mistake, but it was only recently brought to my attention. Thank you for you help.

Very Truly Yours,

Bennett L. David, III
Sara David Realty, Inc. President
