Pentax Precision Instrument Corporation

Dear Ms. Hood.

I have enclosed the above document which is and Application for Reinstatement for Pentax Precision Instrument Corporation in the State of Florida. The originals and or previous copies of the Uniform Business Report were not received by the corporate office responsible for filing these documents. I suspect that since ALL of the previous Directors and Officers of the corporation have changed since the 2002 Uniform Business Report, the documents were destroyed or forwarded to parties no longer associated with the business.

I respectfully request that you waive the assessment of penalty and consider the tax record of this corporation in the State of Florida since qualification on May 4, 1994. We are a company with ties to the State of Florida for many years now and intend to continue our business presence and employment at our Florida location. We have filed Florida Net Income and Emergency Excise Tax returns as prepared by our outside auditors Deloitte and Touche LLP for all the years and additionally file sales and use tax returns timely. Additionally we have filed amended Florida returns reflecting all adjustments made to our Federal #1120 immediately after settlement.

Thank you for your consideration of this request.
