Dear Sir:

I am writing regarding Avid Technology, Inc. I submitted a change of address form to reflect our change of principal office address and director and officer addresses to 75 Network Drive, Burlington, MA 01803. However, a search on your system shows that our old address is still listed (Tewksbury, MA), as pasted below. You will see that our address change request was received and is located in the "Document Images" section. I also submitted this same request for one other entity and the records for that entity were updated successfully.

Please let me know if you need further information or have any questions in order to update the principal address as well as the address of each of our directors and officers.

Thank you.
