RE: F94000004084 Name Change

Dear Cheryl,

Included along with this cover letter please find the additional information you required in order to process our name change. If you will recall from our telephone conversation, we never received the original application back in our office. You told me to have Mr. Williamson sign our copy of the application again and send that along with the corrected information from the State of Alabama. Please disregard the extra copy on the back of the application that shows the original information we received from the State of Alabama.

Thank you very much for your courtesy in helping me to get this resolved. Should you need anything further, please do not hesitate to give me a call.

Sincerely,

Bobbie Cook
