This letter is in response to the application by foreign corporation for authorization to transact business in Florida that was previously submitted to this office for JDCA CONSTRUCTION CORPORATION.

The referenced application states that the corporation has transacted business in the State of Florida since January 1, 1991. You were notified by letter dated November 3, 1994, that because of failure to obtain a certificate of authority prior to transacting business in the State of Florida, the corporation is liable for \$2100.00 in appropriate fees and penalties as set forth in Section 607.1502(4), Florida Statutes, (copy enclosed).

Until a response is received by this office concerning the prior notification, the application by foreign corporation for authorization to transact business in Florida will not be processed. If erroneous information was reflected on the previously submitted application, a sworn affidavit may be filed stating the correct date the corporation first transacted business in Florida, that the corporation did not transact business in Florida prior to the application filing year and that the information entered on such application is incorrect. Any such affidavit will be included with your original qualification documents.

Please provide your response to this letter within 30 days to avoid the necessity of further action.

If you have further questions concerning the filing of your document, please telephone the Foreign Qualification/Tax Lien Section at (904) 487-6091.

Ladies and Gentlemen:

In response to the captioned letter concerning the application for authorization to transact business in Florida that was previously submitted to your office on behalf of JDCA Construction Corporation, I am enclosing an affidavit executed by Elsa M. Franqui, an officer of the corporation and the individual who also executed the application for authorization to transact business on behalf of JDCA Construction Corporation.

We trust that the affidavit is sufficient to correct the error in stating the correct date the corporation first transacted business in Florida which was contained in answer to number 6 of the application.

Please contact me at your earliest convenience if you need additional information or if, for any reason, the affidavit is insufficient for your to waive the fees and penalties noted in your letter of January 13, 1995.

Sincerely,

  
Janice L. Russell

STATE OF FLORIDA ]  
                          ] SS.:  
COUNTY OF DADE ]

BEFORE ME, a duly qualified notary public in the State of Florida, personally appeared ELSA M. FRANQUI who, being first duly sworn upon oath, states as follows:

1. That she is the Secretary, Treasurer and Resident Agent of JDCA Construction Corporation, an Arizona corporation (the "Corporation"), and is one and the same as the Elsa M. Franqui who executed the Application By Foreign Corporation For Authorization To Transact Business In Florida on behalf of the Corporation, a true copy of which is attached hereto as Exhibit "A" (the "Application").

2. Through inadvertence, there is an error on Line 6 of the Application, wherein it is stated that 1991 is the date the Corporation first transacted business in Florida.

3. The correct response to the question posed on Line 6 of the Application should be that the Corporation has not yet transacted business in the State of Florida.

4. The Corporation did not transact business in Florida prior to the Application filing year (1994), nor has the Corporation transacted business in Florida to date during calendar year 1995.

5. The Corporation, moreover, has never had any active occupational or business licenses in this state, nor maintained any place of business in Florida.

6. The mailing address for the Corporation is the same as that of its parent, JDC (America) Corporation; however, the only activities within this state by the Corporation are the annual meetings of its Board of Directors and Shareholders for the purpose of carrying on its internal corporate affairs.

7. The Corporation is in the process of reviewing its business plan for 1995, and would like to be positioned to begin business activities within the State of Florida at some future date during calendar year 1995 and, to that end, filed the attached Application.

FURTHER AFFIANT SAYETH NAUGHT.
