CORPORATION DIVISION

We have received your document for INTERNATIONAL FLUE SAVER, INC. and your check(s) totaling \$131.25. However, the enclosed document has not been filed and is being returned for the following correction(s):

Section 607.1502(4) or 617.1502(4), Florida Statutes, requires this office to collect a \$500 penalty fee for each year this entity transacted business or conducted its affairs in Florida prior to qualification and the appropriate annual report fees that would have been due this office had the corporation qualified the year it began operations in this state. The amount due this office to cover both annual report and penalty fees is \$4956.25.

Enclosed please find a copy of section 607.1501 or 617.1501, Florida Statutes, which lists those activities that do not constitute transacting business or conducting affairs in this state. If after reviewing this section you determine erroneous information was inserted on the application, a sworn affidavit containing the following information must be submitted: 1.) a statement indicating erroneous information was listed on the application; and 2.) the correct date the corporation began transacting business or conducting its affairs in Florida prior to the year the application was submitted did not constitute transacting business or conducting affairs pursuant to section 607.1501 or 617.1501, Florida Statutes.

We did receive your certificate of incorporation, but instead of that document I would need a certificate of status. You would need to contact your Secretary of State at (217) 782-6961.

If you have any questions concerning the filing of your document, please call (904) 487-6097.
