We have received your document for MOORE COMMUNICATIONS GROUP, INC. and your check(s) totaling \$70.00. However, the document has not been filed and is being retained in this office for the following:

Section 607.1502(4) or 617.1502(4), Florida Statutes, requires this office to collect a \$500 penalty fee for each year this entity transacted business or conducted its affairs in Florida prior to qualification and the appropriate annual report fees that would have been due this office had the corporation qualified the year it began operations in this state. The amount due this office to cover both annual report and penalty fees is \$1400.

Enclosed please find a copy of section 607.1501 or 617.1501, Florida Statutes, which lists those activities that do not constitute transacting business or conducting affairs in this state. If after reviewing this section you determine erroneous information was inserted on the application, a sworn affidavit containing the following information must be submitted: 1.) a statement indicating erroneous information was listed on the application; and 2.) the correct date the corporation began transacting business or conducting its affairs in Florida prior to the year the application was submitted did not constitute transacting business or conducting affairs pursuant to section 607.1501 or 617.1501, Florida Statutes.

Attention: Hart Collins Re: ref. #: W95000004336

Dear Sir:

I am writing in response to your letter of February 27, 1995.

This is a request that the penalty fees of \$1000 be forgiven in this instance. We agree that filing fees for previous years are due and we have included those fees, in the amount of \$400, with this letter.

We ask your understanding regarding these penalties due to the following extenuating reasons. We did not intentionally avoid filing. When we became aware that we should file, we did so immediately. We have filed with every other state, county and municipal organization that we have become aware of. We have in the past paid all fees, taxes and licenses as required. We have met all reporting requirements. We were not trying to avoid registration or filing fees, we were merely maware of the requirement until we were completing our Intangible Tax Return. Upon calling the telephone number indicated to verify compliance we found that we were not in compliance. We immediately took the necessary steps to comply. We have in every way attempted to conduct our business in Florida as a good corporate citizen. We have always acted in good faith in our dealings with the State of Florida.

Should you have any questions regarding this issue please do not hesitate to contact me.

We look forward to a positive response regarding this issue.

Yours struly
