Re: Community Initiatives Development Corporation

Dear Mr. Collins:

In our telephone conversation in April 1996 I discussed with you the fact that the above-referenced corporation, a Pennsylvania not-for-profit corporation, had applied for authorization to transact business in Florida and was mistakenly filed as a for-profit corporation. We discussed the way to correct this error, and you forwarded to me an application and transmittal letter for completion.

In this regard, I am returning to you the completed application by foreign not-for-profit corporation for authorization to conduct its affairs in Florida along with addendum attached and the transmittal letter. Additionally, I am enclosing our check in the amount of \$35. It is my understanding that this application and attachments, when filed, will place our client in good standing in the State of Florida and no penalties will be assessed.

If you have any questions regarding this matter or need any further information, please do not hesitate to contact me.
