This letter is in response to the application by foreign corporation for authorization to transact business in Florida that was previously submitted to this office for CLEAN SOURCE INC..

The referenced application states that the corporation has transacted business in the State of Florida since April 30, 1994. You were notified by letter dated March 1, 1995, that because of failure to obtain a certificate of authority prior to transacting business in the State of Florida, the corporation is liable for \$700.00 in appropriate fees and penalties as set forth in Section 607.1502(4), Florida Statutes, (copy enclosed).

Until a response is received by this office concerning the prior notification, the application by foreign corporation for authorization to transact business in Florida will not be processed. If erroneous information was reflected on the previously submitted application, a sworn affidavit may be filed stating the correct date the corporation first transacted business in Florida, that the corporation did not transact business in Florida prior to the application filing year and that the information entered on such application is incorrect. Any such affidavit will be included with your original qualification documents.

Please provide your response to this letter within 30 days to avoid the necessity of further action.

If you have further questions concerning the filing of your document, please telephone the Foreign Qualification/Tax Lien Section at (904) 487-6091.
