We have received your document for MID ATLANTIC TANK INSPECTION SERVICE, INC. and your check(s) totaling \$78.75. However, the enclosed document has not been filed and is being returned for the following correction(s):

Section 607.1502(4) or 617.1502(4), Florida Statutes, requires this office to collect a \$500 penalty fee for each year this entity transacted business or conducted its affairs in Florida prior to qualification and the appropriate annual report fees that would have been due this office had the corporation qualified the year it began operations in this state. ## Department of State Memorandum Office of the General Counsel

TO: File

FROM: Mare W. Dunbar, Assistant General Counsel

DATE: July 5, 1995

RE: Mid-Atlantic Tank Inspection Services, Inc. (MATIS)

---

Based on a review of the file and the decision filed by the First District Court of Appeals in *Marinair Freight Forward, Inc. v. Florida Dept. of Commerce*, 419 So. 2d 1136 (Fla. 1st DCA 1982), it is my opinion that all penalties and fees be abated, and this corporation be permitted to qualify to do business in this state. The factual scenario of this case is directly on point with the above cited case. MATIS merely participated as a bidder for a governmental contract in 1994. It was subsequently awarded with the bid and entered into a contract in October, 1994. The services detailed in the contract were not to be performed until 1995. Given the *Marinair* precedent, MATIS is not required to register until this year. Consequently, all fees and penalties should be abated, and MATIS permitted to qualify in this state.

RE: Mid Atlantic Tank Inspection Services, Inc. (MATIS) application for Authorization  
to Transact Business in Florida

This letter is to follow up on my previous letter written to the Florida Department of State dated May 31, 1995 which references your letter dated April 5, 1995/Letter No. 595A00015367. At this time, I would like to state unequivocally that MATIS received its first and only purchase order during 1994 from the City of Tallahassee on December 14, 1994. The City of Tallahassee was first invoiced on January 10, 1995 for services rendered during this time frame. Hence, as evidenced by the above stated information, no substantial activities were undertaken by MATIS during 1994.
