Re: Achieve Healthcare Information Systems Corp., Ref. No.: W95000013404

Dear Mr. Mays:

We are in receipt of your letter of July 3, 1995 notifying us of annual report and penalty fees due your office in the amount of \$700.00.

Achieve is incorporated in the State of Minnesota. It is involved in the development of computer software and information systems for nursing homes and other health care providers. We do not maintain any office building in the state of Florida for business purposes. According to Florida Statute 607.1501(2)(f), we should be exempt from any penalties. This section indicates that orders requiring acceptance outside the State of Florida before they become contracts does not constitute transacting business. All orders do require acceptance outside the state of Florida. The reason we are applying for authorization to transact business in Florida is for tax purposes only. Also, we do not believe we did any business in Florida in 1994. Therefore, we feel we should not be required to pay any penalties.

With this letter, I am returning our paperwork for filing our application for certification to do business in the State of Florida. Please have paperwork file-marked and return a file-marked copy to me in the self-addressed envelope enclosed for that purpose.

If you have any questions, or wish to respond to this letter, please either contact me at the phone number listed above, or you may contact me by mail at the address above.

Thanks for your consideration in this matter.

Sincerely,

Rita A. Wrobel
