Dears Sirs,

This letter is to inform you that we did indeed comply with the Florida Annual Report deadline for Corporations, and in fact, our accountants have documented information stating that your office has received these filings within the imposed deadline.

Enclosed you will find our reinstatement forms for the three companies in question along with our payment of \$150.00 for each company so we can get our companies back in the "active" status. We are currently undergoing a merger of our companies with a larger entity and this is causing us both a major embarrasment as well as potentially millions of dollars. I am sure this is a small oversight on your departments behalf, due to the thousands of files your office handles each and every month, but we need to get this resolved and the companies reinstated as quickly as possible.

Thank you for your help in this matter.

Sincerely

Dale J. Sexton
