We have received your document for INCOTRUST, LTD. CORPORATION and your check(s) totaling \$70.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The printed name and capacity of the person signing the application on line 13 must be listed on line 14. Also, as the registered agent is a corporation, the person signing on behalf of that corporation must print his name and title beneath his signature.

A certificate of existence, dated no more than 90 days prior to the delivery of the application to the Department of State, duly authenticated by the secretary of state or other official having custody of the records in the jurisdiction under the laws of which it is incorporated/organized, must be submitted to this office. A translation of the certificate under oath of the translator must be attached to a certificate which is in a language other than the English language. A photocopy of this certificate is not acceptable.

Section 607.1502(4) or 617.1502(4), Florida Statutes, requires this office to collect a \$500 penalty fee for each year this entity transacted business or conducted its affairs in Florida prior to qualification and the appropriate annual report fees that would have been due this office had the corporation qualified the year it began operations in this state. The amount due this office to cover both annual report and penalty fees is \$1400.00.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

This letter is in response to the application by foreign corporation for authorization to transact business in Florida that was previously submitted to this office for INCOTRUST, LTD. CORPORATION.

The referenced application states that the corporation has transacted business in the State of Florida since June 1, 1993. You were notified by letter dated May 12, 1995, that because of failure to obtain a certificate of authority prior to transacting business in the State of Florida, the corporation is liable for \$1400.00 in appropriate fees and penalties as set forth in Section 607.1502(4), Florida Statutes, (copy enclosed).

Until a response is received by this office concerning the prior notification, the application by foreign corporation for authorization to transact business in Florida will not be processed. If erroneous information was reflected on the previously submitted application, a sworn affidavit may be filed stating the correct date the corporation first transacted business in Florida, that the corporation did not transact business in Florida prior to the application filing year and that the information entered on such application is incorrect. Any such affidavit will be included with your original qualification documents.

Please provide your response to this letter within 30 days to avoid the necessity of further action.

If you have further questions concerning the filing of your document, please telephone the Foreign Qualification/Tax Lien Section at (904) 487-6091.
