This letter is in response to the application by foreign corporation for authorization to transact business in Florida that was previously submitted to this office for MOR-MAC SERVICES, INC..

The referenced application states that the corporation has transacted business in the State of Florida since May 1, 1988. You were notified by letter dated February 21, 1994, that because of failure to obtain a certificate of authority prior to transacting business in the State of Florida, the corporation is liable for \$3731.25 in appropriate fees and penalties as set forth in Section 607.1502(4), Florida Statutes, (copy enclosed).

Until a response is received by this office concerning the prior notification, the application by foreign corporation for authorization to transact business in Florida will not be processed. If erroneous information was reflected on the previously submitted application, a sworn affidavit may be filed stating the correct date the corporation first transacted business in Florida, that the corporation did not transact business in Florida prior to the application filing year and that the information entered on such application is incorrect. Any such affidavit will be included with your original qualification documents.

Please provide your response to this letter within 30 days to avoid the necessity of further action.

If you have further questions concerning the filing of your document, please telephone the Foreign Qualification/Tax Lien Section at (904) 487-6091.

**CERTIFIED MAIL #Z 751 934 282
RETURN RECEIPT REQUESTED**

This letter constitutes notice that the Department of State (Department) intends to pursue all legal remedies provided in Sections 607.0130(3) and 607.1502(4), Florida Statutes, because of the failure of MOR-MAC SERVICES, INC. to pay the appropriate penalties and fees incurred by the transacting of business as a foreign corporation in Florida without authority. I have enclosed a copy of Sections 607.0130(3), 607.1501 and 607.1502, Florida Statutes, for your review.

The application submitted by MOR-MAC SERVICES, INC. for authority to transact business in Florida indicates that the corporation transacted business in Florida prior to qualifying. As a result, associated penalties and fees imposed by Section 607.1502(4), Florida Statutes, are due and owing the Department.

Penalties and fees in the amount of \$3731.25 are now due. To avoid further penalty, payment must be remitted within 15 days of receipt of this letter. Please make your check payable to the Department of State and forward it to this office.

In the event the date business was first transacted in Florida is incorrect or the activity falls under an enumerated exemption provided in Section 607.1501(2), Florida Statutes, please provide this office with an affidavit to that effect. If it is determined that the affidavit establishes either circumstance, all penalties and fees previously imposed will either be withdrawn or will be recalculated in accordance with the corrected information, and the application will be processed accordingly. If you have any questions regarding this matter, please telephone (904) 487-6091. I look forward to your response.

Dear Mr. Vaughn:

Re: MOR-MAC SERVICES, INC.

I received your January 3 letter regarding your client's transacting business in Florida as a foreign corporation.

Section 607.1501(1), Florida Statutes, provides:

- (1) A foreign corporation may not transact business in this state until it obtains a certificate of authority from the Department of State.

As a result of the failure to comply with this law, your client is liable for the appropriate fees and penalties consistent with Section 607.1502(4), Florida Statutes, which provides:

- (4) A foreign corporation which transacts business in this state without authority to do so shall be liable to this state for the years or parts thereof during which it transacted business in this state without authority in an amount equal to all fees and taxes which would have been imposed by this act upon such corporation had it duly applied for and received authority to transact business in this state as required by this act. In addition to the payments thus prescribed, such corporation shall be liable for a civil penalty of not less than \$500 or more than \$1,000 for each year or part thereof during which it transacts business in this state without a certificate of authority. The Department of State may collect all penalties due under this subsection and may bring an action in circuit court to recover all penalties and fees due and owing the state.

Your client's activity is not exempt from having to qualify with this office as a result of operating only at Eglin Air Force Base under a Federal contract. Those who contract to furnish supplies or **render services** to the Federal government are not exempt from state regulation and do not perform governmental functions. See Penn Dairies, Inc. v. Milk Control Commission, 318 U.S. 261, 269 (1943). (Emphasis added.)

As discussed, I await the financial information pertaining to your client you advised would be forthcoming.

Sincerely,

RE: Mor-Mac Services, Inc.

Based on a review of the file and the tax returns provided by this corporation, it is my recommendation that this file be closed, all penalties be abated, and this corporation be qualified to do business in Florida. This corporation has paid all outstanding annual report fees in the amount of \$1,051.25. This corporation has operated at or near a loss for each of the past four years and cannot afford to pay the outstanding penalties. As such, all penalties have been waived, and this corporation should be qualified to do business in this state.
