Section 607.1502(4) or 617.1502(4), Florida Statutes, requires this office to collect a \$500 penalty fee for each year this entity transacted business or conducted its affairs in Florida prior to qualification and the appropriate annual report fees that would have been due this office had the corporation qualified the year it began operations in this state. This letter is in response to the application by foreign corporation for authorization to transact business in Florida that was previously submitted to this office for SOUTHEASTERN MACHINERY, INC..

The referenced application states that the corporation has transacted business in the State of Florida since October 1, 1993. You were notified by letter dated December 7, 1994, that because of failure to obtain a certificate of authority prior to transacting business in the State of Florida, the corporation is liable for \$700.00 in appropriate fees and penalties as set forth in Section 607.1502(4), Florida Statutes, (copy enclosed).

Until a response is received by this office concerning the prior notification, the application by foreign corporation for authorization to transact business in Florida will not be processed. If erroneous information was reflected on the previously submitted application, a sworn affidavit may be filed stating the correct date the corporation first transacted business in Florida, that the corporation did not transact business in Florida prior to the application filing year and that the information entered on such application is incorrect. Any such affidavit will be included with your original qualification documents.

Please provide your response to this letter within 30 days to avoid the necessity of further action.

If you have further questions concerning the filing of your document, please telephone the Foreign Qualification/Tax Lien Section at (904) 487-6091.

**CERTIFIED MAIL #Z 751 934 335
RETURN RECEIPT REQUESTED**

This letter constitutes notice that the Department of State (Department) intends to pursue all legal remedies provided in Sections 607.0130(3) and 607.1502(4), Florida Statutes, because of the failure of SOUTHEASTERN MACHINERY, INC. to pay the appropriate penalties and fees incurred by the transacting of business as a foreign corporation in Florida without authority. I have enclosed a copy of Sections 607.0130(3), 607.1501 and 607.1502, Florida Statutes, for your review.

The application submitted by SOUTHEASTERN MACHINERY, INC. for authority to transact business in Florida indicates that the corporation transacted business in Florida prior to qualifying. As a result, associated penalties and fees imposed by Section 607.1502(4), Florida Statutes, are due and owing the Department.

Penalties and fees in the amount of \$700.00 are now due. To avoid further penalty, payment must be remitted within 15 days of receipt of this letter. Please make your check payable to the Department of State and forward it to this office.

In the event the date business was first transacted in Florida is incorrect or the activity falls under an enumerated exemption provided in Section 607.1501(2), Florida Statutes, please provide this office with an affidavit to that effect. If it is determined that the affidavit establishes either circumstance, all penalties and fees previously imposed will either be withdrawn or will be recalculated in accordance with the corrected information, and the application will be processed accordingly. If you have any questions regarding this matter, please telephone (904) 487-6091. I look forward to your response.

Sincerely,

COMMENTS: Thank you for your time today. Attached please find a copy of the application which you filed with our office. You will note on the application that you state the date first transacted business in Florida as "10/93." From our conversation, it is my understanding that this date was incorrect, and the corporation actually began transacting business in Florida in 1994. If this is the case, please provide an signed, notarized affidavit which sets out this error and the correct date on which the corporation began transacting business.

Upon receipt of this affidavit, I will instruct corporations to abate all penalties and fees and proceed with qualifying Southern Machinery, Inc. Your prompt attention to this matter as internal time constraints require this matter to be closed by 11/22. Thank you again for your assistance.

RE: Southeastern Machinery Company

Based on a review of the file and the information provided by this corporation, it is my recommendation that this file be closed. This corporation filed its application in 1994; however, the corporation mistakenly stated that it began transacting business in 1993. This corporation has since corrected this error via affidavit. As a result of the filing error affirmed by the documents provided by this corporation, this file should be closed and all fees and penalties be abated. In addition, given the fact that this corporation timely filed its application in 1994, the year in which it actually began transacting business in Florida, this corporation should subsequently be qualified to do business in Florida.
