RE: Document #F95000005998

Dear Division of Corporations:

We are in receipt as of the beginning of November, 1997, of the notice of administrative dissolution or revocation. Due to the fact that we are a fiscal year March 31, 1997 corporation, we did not realize that we would have any tax returns or other out of state filings due by May 1, 1997.

We did not receive any forms or notifications from your department concerning the filing of the requested information. As a result, we were not aware of the revocation until the notice we received in the beginning of November, 1997.

We discontinued business in the state of Florida during 1997, but we do wish to keep our business status active for the next few years. We request that you take into consideration the fact that we did not receive the necessary forms for the filing of your business return requirements in the state of Florida and allow us to pay the original fee of \$165.00.

As per our conversation with one of your representatives, we are enclosing a check in the amount of \$165.00 and ask that you review our situation as stated above.

Sincerely,

*Mar-Allen Concrete Products, Inc.*
