We have received your document for MULTI-DEVELOPERS, INC. and your check(s) totaling \$105.00. However, the document has not been filed and is being retained in this office for the following:

Pursuant to section 607.1502(4), Florida Statutes, this office collects a civil penalty of \$1000 for each year this entity transacted business in Florida prior to qualification and the appropriate charter tax and annual report fees that would have been due this office had the corporation qualified the year it began operations in this state. Enclosed please find a copy of section 607.1501 or 617.1501, Florida Statutes, which lists those activities that do not constitute transacting business or conducting affairs in this state. If after reviewing this section you determine erroneous information was inserted on the application, a sworn affidavit containing the following information must be submitted: 1.) a statement indicating erroneous information was listed on the application; and 2.) the correct date the corporation began transacting business or conducting its affairs in Florida prior to the year the application was submitted did not constitute transacting business or conducting affairs pursuant to section 607.1501 or 617.1501, Florida Statutes.

There are no name reservations filed for fictitious names. The \$35 that was submitted for that purpose can be applied toward the filing of the fictitious name if you wish; otherwise, we can send you an application for refund for that amount.

This letter is in response to the application by foreign corporation for authorization to transact business in Florida that was previously submitted to this office for MULTI-DEVELOPERS, INC..

The referenced application states that the corporation has transacted business in the State of Florida since January 1, 1985. Until a response is received by this office concerning the prior notification, the application by foreign corporation for authorization to transact business in Florida will not be processed. If erroneous information was reflected on the previously submitted application, a sworn affidavit may be filed stating the correct date the corporation first transacted business in Florida, that the corporation did not transact business in Florida prior to the application filing year and that the information entered on such application is incorrect. Any such affidavit will be included with your original qualification documents.
