This letter is in response to the application by foreign corporation for authorization to transact business in Florida that was previously submitted to this office for THE WORKGROUP INC..

The referenced application states that the corporation has transacted business in the State of Florida since February 28, 1992. You were notified by letter dated March 24, 1993, that because of failure to obtain a certificate of authority prior to transacting business in the State of Florida, the corporation is liable for \$700.00 in appropriate fees and penalties as set forth in Section 607.1502(4), Florida Statutes, (copy enclosed).

Until a response is received by this office concerning the prior notification, the application by foreign corporation for authorization to transact business in Florida will not be processed. If erroneous information was reflected on the previously submitted application, a sworn affidavit may be filed stating the correct date the corporation first transacted business in Florida, that the corporation did not transact business in Florida prior to the application filing year and that the information entered on such application is incorrect. Any such affidavit will be included with your original qualification documents.

Please provide your response to this letter within 30 days to avoid the necessity of further action.

If you have further questions concerning the filing of your document, please telephone the Tax Lien Section at (904) 487-6091.

Dear Mr. Douglas:

Please accept the following affidavit as explanation for and clarification of Item 6 on the enclosed application. Since The WorkGroup Inc. would like to enjoy protection of the states legal system and maintain a presence in the state, please complete the processing of our application as soon as possible.

The application fee has already been accepted and processed by your offices.

## Affidavit

My name is Herman V Schuler and my principle residence is located at 660 Aspen Lane, Orange CT, 06460. I have a temporary residence at 7100 Sunset Way, Apartment 1107, in St. Pete Beach Florida, 33706. I am the Treasurer of The WorkGroup Inc., a Connecticut Corporation located at 167 Cherry Street, Suite 266, Milford, CT, 06460. I am over the age of 18 years, and I know the meaning of an oath.

The WorkGroup Inc., as a matter of Corporate policy, requires that all contracts be approved at its headquarters office in Milford CT. The WorkGroup Inc completed one such approved contract for a customer in Florida during 1992, ergo the factual response provided to Item 6 of the enclosed application.

This contract, and all future Florida contracts that the corporation will enter into, will continue to require corporate approve at the headquarters office in Connecticut. Therefore, regarding the states referenced correspondence(enclosed), The WorkGroup Inc. requests exemption from fines and penalties as provided by Section 607.1501 (f) of the Florida Business Corporation Act (1993).

RE: The Workgroup, Inc.

---

Based upon the affidavit received from this corporation, it is my recommendation that this file be closed. This corporation inadvertently filed the application to do business in 1993 and has never actually transacted business in this state within the context of Chapter 607, Florida Statutes. This corporation is engaged in computer sales, the orders of which are accepted outside this state before they become contracts. As such, this file should be closed and all fees and penalties abated based on the exemption specified in section 607.1501(2)(f) and (i), Florida Statutes.
