Dear Mr. Harris:

Persuant to our discussion a few weeks back, and trying to get determinations, I am still not absolutely positive that we must register as a foreign corporation doing business in Florida. We took some unemployed people in Florida and they make pieces for our Company in NY. We have been filing all of the returns required since we hired these people in mid-1992.

Enclosed is our application, together with a check for \$43,75. In consideration of all of the above, hopefully there will be no penalties associated with this application. I have requested a certificate of existence from the New York Secretary of State and will forward it to you as soon as it arrives.

Thank you for your assistance.

Sincerely,

  
David A. Leliman

This letter is in response to the application by foreign corporation for authorization to transact business in Florida that was previously submitted to this office for COAXIAL COMPONENTS CORP..

The referenced application states that the corporation has transacted business in the State of Florida since January 1, 1992. You were notified by letter dated May 3, 1995, that because of failure to obtain a certificate of authority prior to transacting business in the State of Florida, the corporation is liable for \$2126.25 in appropriate fees and penalties as set forth in Section 607.1502(4), Florida Statutes, (copy enclosed).

Until a response is received by this office concerning the prior notification, the application by foreign corporation for authorization to transact business in Florida will not be processed. If erroneous information was reflected on the previously submitted application, a sworn affidavit may be filed stating the correct date the corporation first transacted business in Florida, that the corporation did not transact business in Florida prior to the application filing year and that the information entered on such application is incorrect. Any such affidavit will be included with your original qualification documents.

Please provide your response to this letter within 30 days to avoid the necessity of further action.

If you have further questions concerning the filing of your document, please telephone the Foreign Qualification/Tax Lien Section at (904) 487-6091.

**CERTIFIED MAIL #P 348 066 459 RETURN RECEIPT REQUESTED**

This letter constitutes notice that the Department of State (Department) intends to pursue all legal remedies provided in Sections 607.0130(3) and 607.1502(4), Florida Statutes, because of the failure of COAXIAL COMPONENTS CORP. to pay the appropriate penalties and fees incurred by the transacting of business as a foreign corporation in Florida without authority. I have enclosed a copy of Sections 607.0130(3), 607.1501 and 607.1502, Florida Statutes, for your review.

The application submitted by COAXIAL COMPONENTS CORP. for authority to transact business in Florida indicates that the corporation transacted business in Florida prior to qualifying. As a result, associated penalties and fees imposed by Section 607.1502(4), Florida Statutes, are due and owing the Department.

Penalties and fees in the amount of \$2126.25 are now due. To avoid further penalty, payment must be remitted within 45 days of receipt of this letter. Please make your check payable to the Department of State and forward it to this office.

In the event the date business was first transacted in Florida is incorrect or the activity falls under an enumerated exemption provided in Section 607.1501(2), Florida Statutes, please provide this office with an affidavit to that effect. If it is determined that the affidavit establishes either circumstance, all penalties and fees previously imposed will either be withdrawn or will be recalculated in accordance with the corrected information, and the application will be processed accordingly. If you have any questions regarding this matter, please telephone (904) 487-6091. I look forward to your response.

Sincerely,

Marc W. Durbar, Assistant General Counsel
