We have received your document for QUICKIE DESIGNS INC. and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

The new name in number five of the document must match exactly the name on the certificate from California.

The certificate from California indicates that the name change took place on June 26, 1981 --- is this a mistake? If the name changed in 1981, then this corporation would have qualified in Florida under their new name when they filed here in 1996. If this date is incorrect, you must get a corrected certificate from California. The date in number four must be the same as the date on the certificate from the home state.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 487-6957.
