We have received your document for SUPLIMARKT, INC. and your check(s) totaling \$78.75. However, the enclosed document has not been filed and is being returned for the following correction(s):

The date first transacted business in Florida within the meaning of s. 607.1501 or 608.501, F.S., must be set forth in section 6 of the application. If the corporation/limited liability company has not yet transacted business in Florida within this meaning, please insert the words "upon qualification" in lieu of a date. (Note: Pursuant to s. 607.1502(4), F.S., this office collects a civil penalty of \$1000 for each year other than the application filing year, that a foreign corporation or limited liability company transacts business in this state without authority along with the past annual report fees due this office.)

Please note that Tom Gallagher is no longer the Insurance Commissioner, so we have whited out his name. "Insurance Commissioner" is all that needs to be on that line. Also, we are returning the documents you submitted. The certificate we require is described below; it is not an actual copy of the Articles of Incorporation, which we do not require and are returning to you. We are also returning the Biographical Affidavit you sent, as it is not filed by our office.

A certificate of existence, dated no more than 90 days prior to the delivery of the application to the Department of State, duly authenticated by the secretary of state or other official having custody of the records in the jurisdiction under the laws of which it is incorporated/organized, must be submitted to this office. A translation of the certificate under oath of the translator must be attached to a certificate which is in a language other than the English language. A photocopy of this certificate is not acceptable.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (904) 487-6958.
