We have received your document for COMMUNITY TECTONICS INCORPORATED and your check(s) totaling \$70.00. However, the document has not been filed and is being retained in this office for the following:

You have indicated that the above named corporation has transacted business in Florida prior to qualification. Pursuant to section 607.1502(4) or 617.1502(4), F.S., this office is required to collect a penalty of \$1000 for each year this corporation transacted business in Florida prior to qualification and the appropriate annual report fees that would have been due had the corporation qualified the year it began operation in this state.

However, the \$1000 per year penalty fee is waived, pursuant to laws of Florida 96-212, for any corporation that applies for a certificate of authority between July 1, 1996 and December 1, 1996.

The total amount due this office through December 31, 1996 to cover the back annual report(s) is \$1000.00.
