SUBJECT: OLSHER METALS CORPORATION  
Ref. Number: W96000014676

We have received your document for OLSHER METALS CORPORATION and your check(s) totaling \$78.75. However, the document has not been filed and is being retained in this office for the following:

A certificate of existence, dated no more than 90 days prior to the delivery of the application to the Department of State, duly authenticated by the secretary of state or other official having custody of the records in the jurisdiction under the laws of which it is incorporated/organized, must be submitted to this office. A translation of the certificate under oath of the translator must be attached to a certificate which is in a language other than the English language. A photocopy of this certificate is not acceptable.

Based upon information provided by the Florida Department of Revenue, pursuant to section 213.053(14), Florida Statutes, it appears that OLSHER METALS CORPORATION has transacted business in Florida prior to submitting an "Application for Authority to Transact Business in Florida". The information received from the Florida Department of Revenue indicates August 1, 1994, as the initial date of transacting business in the State of Florida. Please contact this office concerning the date first transacted business in Florida.

Pursuant to section 607.1502(4) or 617.1502(4), F.S., this office is required to collect a penalty of \$1000 for each year this corporation transacted business in Florida prior to qualification and the appropriate annual report fees that would have been due had the corporation qualified the year it began operation in this state.

However, the \$1000 per year penalty fee is waived, pursuant to laws of Florida 96-212, for any corporation that applies for a certificate of authority between July 1, 1996 and December 1, 1996.

The total amount due this office through December 31, 1996 to cover the back annual report(s) is \$400.00.

If you have any questions concerning the filing of your document, please call

(904) 487-6958.
