We have received your document for IT NETWORK, INC. and your check(s) totaling \$70.00. However, the document has not been filed and is being retained in this office for the following:

You informed us earlier today that this application was brought by you to this office on October 29, 1997, but that you submitted it stapled to a different filing; we agreed to back-date the application to that date. At this time there is a related Texas corporation which still has this name, making it unavailable for filing. Please refer to the attached printout. It appears that the Texas corporation is in the process of changing its name. Once you have completed that process, please let us know so that we may complete the filing. If the Texas corporation is not going to change its name, you must file the attached name resolution to adopt a different name for the Delaware corporation.
