SUBJECT: INFORMATION NETWORK SYSTEMS, INC.
Ref. Number: W97000025801

We have received your document for INFORMATION NETWORK SYSTEMS, INC. and your check(s) totaling \$78.75. However, the document has not been filed and is being retained in this office for the following:

Based upon information provided by the Florida Department of Revenue, pursuant to section 213.053(14), Florida Statutes, it appears that INFORMATION NETWORK SYSTEMS, INC. has transacted business in Florida prior to submitting an "Application for Authority to Transact Business in Florida". The information received from the Florida Department of Revenue indicates May 1, 1980, as the initial date of transacting business in the State of Florida. Please contact this office concerning the date first transacted business in Florida.

Pursuant to section 607.1502(4), Florida Statutes, this office collects a civil penalty of \$1000 for each year this entity transacted business in Florida prior to qualification and the appropriate charter tax and annual report fees that would have been due this office had the corporation qualified the year it began operations in this state. Please complete the enclosed form INHSE37 and contact this office for the charter tax due. The amount entitled this office in annual report fees and penalty fees is \$18,426.25.

If it is determined that the corporation's previous activities in Florida that warranted compliance with Florida's revenue laws did not constitute the transaction of business within the meaning of s. 607.1501, F.S., please provide a sworn affidavit to that effect.

If you have any questions concerning the filing of your document, please call (850) 487-6958.

AFFIDAVIT

I, **Mark Kasper**, Executive Vice President of Information Network Systems, Inc., swear and affirm that Information Network Systems, Inc. is actively engaged in interstate commerce doing business throughout the United States. That in 1995 Information Network Systems, Inc. opened an office in Florida to solicit orders for business, which orders required acceptance in the State of Pennsylvania at our corporate headquarters before they became a binding contract.

Therefore, it is believed that Information Network Systems activities in Florida did not constitute the transaction of business within the meaning of s.607.1501, F.S.
