Dear Lee Rivers:

We made an error on our vendor registration application for the State of Florida. We indicated that the company had done business in Florida for a period of four years. We have not conducted any business as School Specialty - Southern Division. If you have documents proving otherwise, please supply us with that information. Otherwise, please waive the \$4765 penalty fees and process our vendor registration application accordingly.

Again, we apologize for supplying incorrect information on our application. Please feel free to give me a call if you have any questions.

Sincerely,

Johnny Webb

We have received your document for SCHOOL SPECIALTY, INC. and your check(s) totaling \$70.00. However, the document has not been filed and is being retained in this office for the following:

We are not able to process your application based on the affidavit you submitted because it refers to a different application (your "vendor registration application" rather than the application you filed with us) and refers to the corporation by a different name than appears on your application and certificate from Wisconsin. For your convenience we are enclosing a fill-in-the-blank affidavit. Please complete this affidavit, have it notarized, and return it to us so that we may complete your application without any penalty fees.

If you have any questions concerning the filing of your document, please call (850) 487-6958.
