Re: Filing for ubr code compliance

Please take into consideration that the corporation Wholesale Shutters Direct is is in the middle of a pending investigation with fraud. The former controller / bookkeeper left at the end of February 2002, and left the corporation in terrible financial state along with taking all and any financials associated with WSD. Myself as president of this corporation was completely unaware that the filing had not occurred and I am now in the process of taking care of this situation. Per my conversation this afternoon with an individual with the ubr division, I am sending the necessary documentation filled out with a check for \$150 per her request. Thank you for your consideration in this matter.

Respectfully,

Kevin L. Martin

President
