Mr. Sammy Caldwell,

I am not sure if your remember me. You helped me with a problem concerning my Nevada Corporation, SQL INC.

I needed to register my corporation as an out of state corporation doing business in Florida before I could get the fictitious name we requested.

You forwarded the information to a very nice lady that was extremely helpful to us. Please forward this information to her and excuse us for not remembering her name, I lost the paper where I wrote her name. She called me and informed me regarding the information that was missing. Please give her my thanks and receive ours as well, for being a solid source of information that clears the way to progress and growth in Florida.

Feel free to show this letter to anyone that can understand that clear concise information as you have furnished it, is the way to growth and better well being of every Floridian.

I thank you and your college for showing me, what I could not interpret from your canned letters( computer preformatted letters).

You see, I am a computer analyst with over 30 years of experience who worries about those, dry canned letters that are not very clear and confuse the recipient. Thank you for helping the individual, the greatest source of growth and prosperity ever conceived, except for God all mighty.

Sincerely ,

Raul E. Linares
