Re: Abbie J. Weist, Inc.  
Qualification of Virginia Corporation in Florida

To Whom It May Concern:

This firm represents the above-referenced corporation which has submitted an application for qualification to do business in Florida. The corporation was candid in its admission that it has done business in Florida since 1989. We are now told that there will be approximately \$9,000.00 civil penalties pursuant to Section 607.1502(4), Florida Statutes along with \$1,411.25 in past due annual report fees.

The foregoing statute provides discretion for the division of corporations/secretary of state in assessing penalties between \$500.00 and \$1,000.00 per year. Therefore, please consider this letter as formal request for the minimum penalty along with payment of the application and past due annual reporting fees.

The corporation was unaware of its obligation to qualify in Florida before commencing business. It was an innocent mistake and the corporation does not feel that the maximum penalty should be assessed against it under these circumstances. Please remember it was the corporation that brought this matter to the department's attention when it applied for qualification. It was hiding nothing and has been straight forward with the department.

In order to process our request we are enclosing a corporation check in the amount of \$1,481.25 which represents \$1,411.25 in past annual reporting fees and the \$70.00 application fee for an authority to do business in Florida.

Secretary of State

Could you please let us know if the department will grant our request and charge the minimal fine. Upon authorization from your department, I will have the check immediately issued and forwarded to your office so that this matter can be resolved.

Thank you for your consideration.

Sincerely,
