Re: Document #F98000006956
EDEN Bioscience Corporation

Dear Sir or Madam:

We were surprised to recently receive a Notice of Administrative Dissolution or Revocation of our authority to transact business in the state of Florida for failure to file our 2003 corporation uniform business report form. On January 7, 2003, we forwarded the 2003 uniform business report form to our external accountants with instructions to complete the form and file it with the state of Florida. For some reason which we have not yet been able to determine, that action was not taken. Furthermore, we did not receive the two reminder notices that apparently were sent to us, perhaps because our mailing address changed early in 2003.

Enclosed are the completed application for reinstatement and a check for \$150 to cover our 2003 annual report fee and corporate supplemental fee. We respectfully request that our corporation be reinstated to transact business in the state of Florida and that the \$600 reinstatement fee be waived. We are a struggling agricultural biotechnology company that has had to reduce its staff by nearly 75% (from approximately 140 employees to approximately 35 employees) over the past two years in order to reduce expenses and conserve cash. Every dollar is critical to our future success.

Thank you very much for your consideration of our request. Please contact me at 425-984-2120 if you need any additional information.

Yours truly,

Bradley S. Powell
Vice President, Chief Financial Officer
and Secretary
