Re: Corporation reinstatement document F98000006973

To whom it may concern:

Enclosed is a corporation reinstatement document for Bar-Lo Carbon Products, Inc. We are filing this document after receiving a notice that our registration renewal was past due. We never received the original document in the mail last year before the deadline. Having just moved to Florida, I was not even aware that I should expect to receive a document to renew our company's registration each year. We therefore request that any penalties for late filing be waived. We think this request is reasonable given the circumstances described herein. We thank you in advance for considering our request.

Sincerely,

Barry M. Flowers, President
