We have received your document for FUTURE NET INDUSTRIES, INC. and your check(s) totaling \$122.50. However, the document has not been filed and is being retained in this office for the following:

Based upon information provided by the Florida Department of Revenue, pursuant to section 213.053(14), Florida Statutes, it appears that FUTURE NET INDUSTRIES, INC. has transacted business in Florida prior to submitting an "Application for Authority to Transact Business in Florida". The information received from the Florida Department of Revenue indicates April 2, 1996, as the initial date of transacting business in the State of Florida. Please contact this office concerning the date first transacted business in Florida.

Pursuant to section 607.1502(4), 617.1502(4) or 608.502(4), Florida Statutes, this office collects a civil penalty of \$1000 for each year this entity transacted business or conducted its affairs in Florida prior to qualification and the appropriate annual report fees that would have been due this office had the entity qualified the year it began operations in this state. The amount due this office to cover both annual report and penalty fees is \$3465.00.

If it is determined that the corporation's previous activities in Florida that warranted compliance with Florida's revenue laws did not constitute the transaction of business within the meaning of s. 607.1501, F.S., please provide a sworn affidavit to that effect.

If you have any questions concerning the filing of your document, please call (850) 487-6095.
