Articles of Correction

We are filing this amendment to correct a clerical error made by the California Secretary of State. The California Secretary of State issued a certificate of filing reciting the wrong name

An amendment changing the name from Anyloan.com to Anyloan Company was filed in error. The new name should be The Anyloan Company. California erroneously left the word "The" off of the certificate. Correction for your records is that the amended name is now The Anyloan Company.

Amendment originally filed in Florida on July 14, 2000.
