The referenced application states that the corporation has transacted business in the State of Florida since September 1, 1998. Until a response is received by this office concerning the prior notification, the application by foreign corporation for authorization to transact business in Florida will not be processed. If erroneous information was reflected on the previously submitted application, a sworn affidavit may be filed stating the correct date the corporation first transacted business in Florida, that the corporation did not transact business in Florida prior to the application filing year and that the information entered on such application is incorrect. Any such affidavit will be included with your original qualification documents.

Dear Gretchen,

I apologize for the confusion. We did not start doing business in Florida in Sept of 1998; my assistant misunderstood. Per Section 607.1501 j of the Florida Statutes our Sept. 1998 consulting assignment was merely an isolated transaction. I hope you will adjust our Application accordingly. If there is anything else I need to do please do not hesitate to contact me.

Sincerely,
