We have received your document for WORLD WIDE FINANCIAL SERVICES, INC. and your check(s) totaling \$78.75. However, the document has not been filed and is being retained in this office for the following:

In addition to the application you must submit a CERTIFICATE OF EXISTENCE from the Michigan Secretary of State's office. This is a 1-page certificate that says that the corporation has been filed in Michigan, and hasn't been dissolved.

ALSO, your application indicates that WORLD WIDE FINANCIAL SERVICES, INC. has been transacting business in Florida since December 13, 1995. If this is so, then penalty fees are owed.

Pursuant to section 607.1502(4), 617.1502(4) or 608.502(4), Florida Statutes, this office collects a civil penalty of \$1000 for each year this entity transacted business or conducted its affairs in Florida prior to qualification and the appropriate annual report fees that would have been due this office had the entity qualified the year it began operations in this state. The amount due this office to cover both annual report and penalty fees is \$4,665.00.

If you have any questions concerning the filing of your document, please call (850) 487-6914.

Re: Registration of Foreign Corporation – Exemptions  
World Wide Financial Services Inc. Ref# W99000023316

Dear Mr. Kohr:

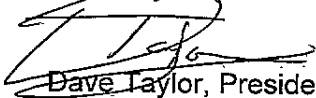

Our office received your letter rejecting the filing of a foreign corporation registration of behalf of World Wide Financial Services Inc. (WWFS). Please be advised that WWFS was informed by representatives of your agency in 1995 that the company was exempt from such filing requirements pursuant to the exemption provisions of ss. 607.1501(2)(g), FS., which states:

The following activities, among others, do not constitute transacting business within the meaning of subsection (1):

(2)(g) states ... "Creating or acquiring indebtedness, mortgages and security interests in real or personal property".

The activity described in this exemption is exactly what WWFS does. They are a mortgage lender and create (fund mortgage loans), acquire (purchase mortgage loans) that are secured by real property in Florida. Furthermore, when I inquired on behalf of my client regarding the claiming of the exemption, representatives of the Department of State stated there are/were no procedures whereby a company may formally seek and obtain a written confirmation from your office of the exemption. The only reason the company now seeks such a registration is to protect the use of the company name in Florida. I ask that your office reconsider the position set forth in your letter, including the fine, which is inappropriate and not applicable to this situation. In the event you still disagree, please advise me of the specific person within your agency to contest this position. I may be reached at the number below for any reason.

Sincerely,

  
Dave Taylor, President
